Ksenija, I also found the ECore tour informative. Please let me know if there are any questions about what you saw—or reach out to Art Dodge directly.

With respect to Astroturf, you should reach out to Heard Smith: hsmith@textilemanagement.com. Heard is a senior executive at Astroturf and is my POC with the company.

With respect to whether there are synthetic turf fields on tribal lands, I have posed that question to the members of the Safe Fields Alliance—who are the installers of fields. Fieldturf has responded that they are not aware of any. When I get further responses I will forward them on.

Please let me know if you have further questions.

Nancy

Hi Nancy,

It was nice to see you at Ecore. We found the tour interesting and informative.

Nancy, as we begin to schedule observations of field installations, I also wanted to ask you for the POC at Astroturf. In addition, I wanted to follow up with you in regards to whether there are any synthetic turf fields in tribal land?

Thank you, your assistance is sincerely appreciated,

Ksenija

Ksenija, wanted to let you know that I will be joining you and your team for the tour tomorrow. I have not seen the process and seeing it first hand will be helpful to me as well.

Looking forward to seeing you tomorrow morning.
